the creat**HER**

At Digital GraphX, there's no one-size-fits-all—just one creative who wears many hats. Mia, the lead designer and strategist behind the brand, merges digital design, content creation, and big-picture brand thinking to bring bold visions to life. Whether you're launching something new or leveling up what already exists, we don't just make things look good—we make them work for your business. From scroll-stopping visuals to storytelling that sells, every project is built with purpose, personality, and a little bit of edge.

&let's get started

OUR BOOKING PROCESS

our booking process

- **step 1 – submit an inquiry**

Start by filling out our [Client Inquiry Form] with details about your project, goals, and timeline. This helps us get to know your vision before we even hop on a call.

- **step 2 – book a *brand talk* call**

Not sure which service is right for you? Schedule a quick discovery call so we can align on the best fit and walk you through available options.

- **step 3 – receive your proposal**

Once we've talked through your needs, you'll receive a customized proposal and service agreement outlining your package, project timeline, deliverables, and payment structure.

- **step 4 – secure your spot**

Pay your deposit (*or full balance if preferred*) to officially lock in your start date. Projects are not booked until payment is received.

- **step 5 – prep for your brandstorming session**

You'll get a Welcome Email with everything you need to prepare—including brand inspiration, important dates, and how to use your client portal.

- **step 6 – let's *create***

Once your Brandstorming Session is complete, we move into the design and development phases based on your chosen service. You'll receive drafts, give feedback, and we'll collaborate until you love it.

got questions?

WE'VE GOT ANSWERS

*Your Brand
Has Design
Limitless Impact*

Frequently asked questions

Q: How do I know which service is right for me?

A: No worries—we got you. If you're unsure where to start, just book a Brand Talk Call. We'll walk through your goals and recommend the best service for your needs.

Q: How long does each project take?

A: Turnaround times vary depending on the service. Most projects range from 1–3 weeks, with larger packages like The Branding Suite taking 2–3 months. You'll get a clear timeline when your proposal is sent.

Q: Do you offer payment plans?

A: Yes! Most services can be split into two, three or even four payments—a deposit to book and the final balance due before delivery. Retainer and larger-scale packages also have flexible weekly, bi-weekly or monthly payment options.

Q: What's included in my final files?

A: You'll receive high-resolution files in formats like PNG, PDF, and JPG. For logos and branding, you'll also get versions for print, digital, and transparent backgrounds. Source files can be added for an additional fee.

Q: Can I rush my project?

A: If you're in a time crunch, rush services are available depending on our current schedule. A \$100 rush fee applies for expedited turnaround.

Q: How do I communicate with you during the project?

A: Everything runs through your customized client portal—where you'll get updates, upload files, sign documents, and chat with our team.

Q: What's your refund policy?

A: Due to the creative nature of our work, all deposits and payments are non-refundable. We're committed to delivering a final product you love and will always work with you to get it right.

Q: Can I add more services later?

A: Absolutely! You can always upgrade or add à la carte services throughout your project. Just let us know what you need and we'll add it to your portal.
